INT. LIVING ROOM - DAY

KYLE, mid-20s, is seeking counsel from DAMIEN, late-20s.

KYLE

And when I got back from the bathroom everything got... weird.

DAMIEN

Back in the bathroom: standing up or sitting down?

KYLE

Standing up.

Beat.

DAMIEN

You didn't pee in the bowl, did you?

KYLE

Uh, yeah.

DAMIEN

(sighing)

So... you're at her place. Her friends were there. And you peed in the bowl. Right in the bowl.

KYLE

Yeah! Yeah, I peed in the bowl. What was I supposed to do; pee in the salad?

DAMIEN

You're supposed to bank it off the side where it's dry.

(leaning to his right)

You lean to one side, and aim for the porcelain. It's quiet that way. Keep it below the rim, though. You don't want to splash.

Beat.

KYLE

So when I was in the bathroom--

DAMIEN

Everyone was listening to you empty your bladder. Not a pretty sound.

Beat.

KYLE

Why doesn't anybody tell me these things!

DAMIEN

Dude. Every guy knows you don't pee in the bowl when you're at the girlfriend's place. Seriously, were you raised by wolves?
