INT. LIVING ROOM - DAY

JANE, 20s, holds up an unmarked DVD.

A pile of DVDs are on the table in front of her.

JANE

This is porn. I'll bet you
anything this is porn hiding in
your brother's DVD collection.

CLAIRE, 20s, takes the DVD from her.

CLAIRE

You don't know that. Besides Jake
probably gets his porn online like
everyone else.

JANE

Not that kind of porn. Home grown.

Claire drops the DVD like it's infectious.

CLAIRE

Eww! I... Wait a minute. We're
talking about Jake. He's...
normal.

JANE

Really? Normal? Hasn't he started
working out again?

CLAIRE

Yes, but--

JANE

And didn't your dad buy him a
camcorder for his birthday?

CLAIRE

(considers it a second)
He said he wanted one with good low-
light ability.

(points to the DVDs)
And ever since he started watching
French New Wave movies he's been
talking about how prudish and
"conventional" Americans are.

JANE

What's his new girlfriend's name?

CLAIRE

Krystal.

(beat)

With a "K".

(pause)

Oh my god. He's a skank. My baby
brother's a skank.
