EXT. PICNIC TABLE - DAY

SAM (20s), very pretty, sits down across from MELANIE (20s).

MELANIE

You're not Sam are you?

SAM

Yeah. Short for Samantha. You're Melanie, right? Diane said you were cute.

MELANIE

I am going to kill her.

SAM

Why?

MELANIE

You're a girl.

SAM

From my ovaries to my Jimmy Choo's. What were you expecting?

MELANIE

Not a girl.

SAM

Oh. Then why'd you agree to this blind date?

MELANIE

Because Diane described "Sam" as cute, smart, and fun. The phrase "doesn't have a penis" was not mentioned.

SAM

To be fair, that's kind of an awkward phrase--.

MELANIE

I wore flannel once last winter, and she thinks it's some sort of Freudian slip. Don't ever be roommates with a psych major. It's a nightmare.

SAM

Gotcha.

MELANIE

(still fuming)

It was 30 degrees outside! I was  
cold!
