EXT. ALLEYWAY - DAY

JAKE

(on the phone)

I need 50 grand, and a car with  
clean plates. We're doing this my  
way now.

(beat; listens)

No. I'm through dicking around.

I don't care what your brother  
thinks, and I don't care how your  
brother does things. I'm not your  
brother. If I were, I'd a shot you

wouldn't have to have this  
conversation.
