INT. CHURCH VESTRY - DAY

DAVID (late 20s) has just been jilted at the altar.

DAVID

There's this line in the Princess
Bride. Wesley explains to
Buttercup what his relationship
with the Dread Pirate Roberts was.
"Good night, Wesley. I'll most
likely kill you in the morning." I
always figured that's how it would
end. She'd wake up and say, "Good
morning, David. I'm leaving you
for a billionaire rock star." It
was just too perfect, you know. I
just couldn't be that lucky.
