INT. KITCHEN - DAY

SARA (late 20s) reluctantly accepts a bottle of wine from PETER (30).

SARA

I... actually invited you over to meet my husband.

(waves her ring-less left hand)

I know, no ring, and that's a funny story -- which we'll save for another time. But I thought you two would hit it off, and now I'm wondering why I didn't just tell you that I wanted you to meet my husband, and maybe deep down I was hitting on you, but that's crazy I would never do that -- not that you're not attractive, you are and, and please stop me before I shove my entire foot in my mouth.
