INT. LIVING ROOM - DAY

CHRIS (30s) explains the he knows his limitations, and what's important to him.

CHRIS

Hey.

(smiles warmly)

I'm not going anywhere, okay? Yes, I'm a cop, and sometimes that means I deal with angry, crazy, scary people, but I can't leap tall buildings and I'm sure as hell not fast than a speeding bullet. I plan on walking through that door every single day. Hopefully with you on the other side of it.
