INT. LIVING ROOM - DAY

JAKE

So this guy loses a shot at 100,000 dollars because he couldn't chuck 16 dead rats into a trash can with his teeth.

(beat)

I'm just sayin'.

DAVE

What? What are you "just sayin'"? That we should be willing to pick up dead rats with our teeth in order to make money?

JAKE

I'm just sayin' that we should be prepared. You never know what life is gonna throw you.

DAVE

I know what life is not gonna throw me... life is not gonna throw me a pile of dead rats that I have to carry around by my teeth.

Beat.

JAKE

I bet the guy who lost 100,000 dollars woulda said the same thing right before they showed him the rats.
